

Silver Bells

Silver bells, silver bells
It's Christmas time in the city
Ring-a-ling, hear them ring
Soon it will be Christmas day

City sidewalks, busy sidewalks
Dressed in holiday style
In the air there's a feeling of Christmas
Children laughing, people passing
Meeting smile after smile
And on every street corner you hear

Chorus:

Silver bells, silver bells
It's Christmas time in the city
Ring-a-ling,
Hear them ring,
Soon it will be Christmas day

Strings of street lights, even stoplights
Blinkin' bright red and green
As the shoppers rush home with their treasures
Hear the snow crunch, see the kids bunch
This is Santa's big scene
And above all this bustle you hear

Silver bells (The corner Santa Claus)
Silver bells (It's busy now because)
It's Christmas time in the city
Ring-a-ling, (it fills the winter air)
Hear them ring, (you hear it everywhere)
Soon it will be Christmas day

White Christmas

I'm dreaming of a white Christmas
Just like the ones I used to know
Where the treetops glisten, and
Children listen to hear
Sleigh bells in the snow

I'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all your Christmases be white

The Christmas Song

Chestnuts roasting on an open fire
Jack Frost nipping at your nose
Yuletide carols being sung by a choir
And folks dressed up like Eskimos

Everybody knows a turkey and some mistletoe
Will help to make the season bright
Tiny tots with their eyes all aglow
Will find it hard to sleep tonight

They know that Santa's on his way
He's loaded lots of toys and goodies on his sleigh
And every mother's child is gonna spy
To see reindeer really know how to fly

So, I'm offering this simple phrase
To kids from one to ninety-two
Although it's been said many times, many ways
Merry Christmas to you

And every mother's child is gonna spy
To see reindeer really know how to fly

And so, I'm offering this simple phrase
To kids from one to ninety-two
Although it's been said, many times, many ways
Merry Christmas, Merry Christmas
Merry Christmas to you

Jingle Bells

Dashing through the snow
In a one-horse open sleigh
O'er the fields we go
Laughing all the way
Bells on bobtail ring'
Making spirits bright
What fun it is to ride and sing
A sleighing song tonight!

Jingle bells, jingle bells,
Jingle all the way.
Oh! what fun it is to ride
In a one-horse open sleigh.
Jingle bells, jingle bells,
Jingle all the way;
Oh! what fun it is to ride
In a one-horse open sleigh.

Rudolph, the Red-Nosed Reindeer

You know Dasher and Dancer and Prancer and Vixen
Comet and Cupid and Donner and Blitzen
But do you recall
The most famous reindeer of all?

Rudolph the Red-Nosed Reindeer
Had a very shiny nose
And if you ever saw it
You would even say it glows

All of the other reindeer
Used to laugh and call him names
They never let poor Rudolph
Join in any reindeer games

Then one foggy Christmas Eve
Santa came to say
"Rudolph, with your nose so bright
Won't you guide my sleigh tonight?"

Then how the reindeer loved him
As they shouted out with glee
"Rudolph the Red-Nosed Reindeer
You'll go down in history"

Frosty The Snowman

Frosty the snowman
Was a jolly happy soul
With a corn cob pipe and a button nose
And two eyes made out of coal

Frosty the snowman
Is a fairytale they say
He was made of snow
But the children know
How he came to life one day

There must have been some magic
In that old silk hat they found
For when they placed it on his head
He began to dance around

Frosty the snowman
Was alive as he could be
And the children say
He could laugh and play
Just the same as you and me

Frosty the snowman
Knew the sun was hot that day
So he said let's run
And we'll have some fun
Now before I melt away

Down to the village
With a broomstick in his hand
Running here and there all around the square
Saying catch me if you can

He led them down the streets of town
Right to the traffic cop
And he only paused a moment when
He heard him holler stop

Frosty the snowman
Had to hurry on his way
But he waved goodbye
Saying don't you cry
I'll be back again some day
